

Our Accessibility Statement

Sanctuary Sound takes the following measures to ensure accessibility of Sanctuary Sound studio:

- Include accessibility throughout our internal policies.
- Appoint an accessibility officer and/or ombudsperson.
- Assign clear accessibility goals and responsibilities.
- Employ formal accessibility quality assurance methods.
- We are committed to making our website accessible to everyone, including people with disabilities in our design personas.
- We have implemented features like alternative text for images, clear heading structures, and appropriate color contrasts to ensure a user-friendly experience for all visitors.

Conformance Status

The [Web Content Accessibility Guidelines \(WCAG\)](#) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. Sanctuary Sound studio is partially conformant with WCAG 2.1 level AA. Partially conformant means that some parts of the content do not fully conform to the accessibility standard.

Additional accessibility considerations

Some text and graphics do not contain appropriately contrasting colors.
